Apr 1929 Middletown, OH) He was

the son of LeRoy JESTICE and

Flora Ellen STAMPER.

They had four (4) children.

- “One pleasant childhood memory I have is of Dad taking us all fishing down at the river in the evening. We took a lantern, and Mom would bring a quilt to sit on. Dad and Carl would fish till ten or eleven o’clock. I remember how excited we would all get whenever one of them caught a fish (usually catfish). Maybe that is why, even to this day, I love to fish.” Per Ruby WILLS JESTICE, 19 April 2001.

- They retired in Florida.
